

# PLASTIC PACKAGING ACTION

**WE'RE WORKING HARD TO ENSURE ALL OUR  
PACKAGING IS SUSTAINABLY SOURCED BY 2025!**

What's more, we're recycling millions of plastic bottles to produce recycled polyester fabric used in our garments—preventing the bottles from ending up in landfill or in our oceans!

**BTS 2020**

**4.5 million**

**AND THIS IS HOW  
THE NUMBERS COULD  
LOOK BY BACK TO  
SCHOOL 2025!**

**BTS 2021**

**14.9 million**

**BTS 2025**

**50 million +**
